WHY—AND HOW I VOLUNTEER AT MINISTRY AT ST. FRANCIS

As members of our parish community consider how God is calling them to fuller participation in the life of our parish, sharing your experience and encouragement will be helpful to them—in their feeling welcome, in knowing that they're invited—we minister together. Please share about your experience of service at St. Francis—about the ministry, the commitment, how you got involved, and how God is blessing you through this commitment. We will share your story in our parish publications.

Please take a moment to share your experience by completing this form and mailing it to: Fran Anderson, St. Francis Parish, 1066 26th St., Sacramento, CA 95816. Thank you!
