DISMISSALS

Please note that the purpose of dismissals is to allow God to speak to us in the Bible, particularly God's conversations with us in the gospel. Our faith is based in tradition and scripture, and a great part of our liturgical life and our life of discipleship can be in response to God's Word. Dismissals offer the opportunity for exposure to more of the scripture, so me assistance in making sense of it and interpreting it, and learning to listen and apply it to our daily lives. It can challenge, comfort, and confirm our thoughts and our actions. Please continue to make this a part of your RCIA journey.
